## Greetings From Pastor

---

Dear Parishioners;

The Pastor and the Reverend Assistants extend to you most cordial greetings on the occasion of the Parish Reunion. We trust this social occasion will extend and increase the happy ties which already bind the priests and people of our Parish. The priest, worthy of his divine vocation, feels that he is, as the Apostle says, "taken from among men and constituted in the things of God" that he may serve the flock of Christ in every spiritual need, from the Baptism of the infant to the last blessing of the dying.

Nevertheless his work will be lightened, and its results more fruitful, when it meets with appreciation and a responsive spirit among the people. We rejoice in the belief that this good spirit does exist among us, and we pray that by God's grace it may always continue.

THOMAS J. MACCORMACK,

*Pastor.*

## Historical Note

On July 9, 1876, Rev. James McGlew, pastor at St. Rose's Church, Chelsea, celebrated the first Mass said in Everett before a congregation of several hundred people. Subsequently a lot of land was purchased, as the site of a new church, at the corner of Broadway and Mansfield Street. In August, 1877, work was begun for the erection of the new Saint Mary's Church. The first services were held Christmas Day 1877. Most Reverend Archbishop John J. Williams dedicated the church May 14, 1882.

Saint Mary's remained a mission of Chelsea until 1885 being attended by the priests of St. Rose's. At that time Everett and Revere were constituted as one parish, the new pastor being Reverend Joseph F. Mohan. At that time the regular attendance at Saint Mary's was eleven hundred.

Everett became a parish independent of Revere in 1889, at which time the Catholic population was more than 3000. The growth of the parish under the beloved Father Mohan and his successors was rapid and constant. St. Mary's, the Mother Church of Everett, has seen three new churches rise within the original boundaries of the parish.

The first of these was Saint Joseph's established in June, 1912. This was followed by St. Therese of the Little Flower in 1928 and St. Anthony's likewise in 1928. Our Lady of Grace Parish of Everett and Chelsea also includes part of the original St. Mary's parish.

The old church reproduced on the opposite page served the congregation until the erection of the present church on the same site. The corner stone of the latter was laid on October 18, 1896.

The Parish School was opened September 8, 1921, the first graduating class of 70 completing their course in 1928. The present building was opened September 8, 1923.

The parish has been blessed with exceptional pastors beginning with Father Mohan and continuing through his successors Father Fitzgerald, Father Riley and our present esteemed pastor Father MacCormack. Under them the spiritual growth of the parish has kept pace with the numerical increase of the people until today the Immaculate Conception Parish takes rank with the first of the Archdiocese of Boston.
